

ACCESSORY GUIDE T90EV

T90EV

T90EV WIND DEFLECTORS

Set of four dark smoked, custom fit, wind deflectors. These help to improve air quality and ventilation inside the cab, reducing wind noise and buffeting from open windows.

£85.51 + VAT RRP

T90EV BONNET GUARD

A tough moulded protective shield, fixed to the front of the T90EV's bonnet to help prevent damage to the paintwork from road debris, such as stone chips, bugs and grit.

£73.96 + VAT RRP

T90EV TOW BAR

Heavy-duty tow bar for the T90EV, which bolts securely onto the vehicle chassis. Due to their strength and towing capability, these are popular with busy, hard-working pickups.

£195.84 + VAT RRP

T90EV TOWING ELECTRICS

13-pin towing electrics, which allow for more connections, such as fog and reversing lights. All our T90EV towing electric kits are 'plug and play' for easier installation.

£155.52 + VAT RRP

T90EV FLOOR MATS

Full set of premium quality 3D moulded floor mats. Lipped, with an anti-skid waterproof backing, fixing points and a stain repellent coating. Washable and easy to remove for cleaning.

£92.44 + VAT RRP

T90EV SEAT COVERS

High-grade and perfectly shaped for a secure fit to help keep your upholstery clean. The Maxus T90EV tailored seat covers are 100% waterproof and machinable washable.

£123.51 + VAT RRP

T90EV BED CAPS

A 3-piece bed cap protection kit is all about just that - protecting - a cost-effective way of helping prevent hard-working areas of a pickup from dents and scratches. Quick and simple to fit.

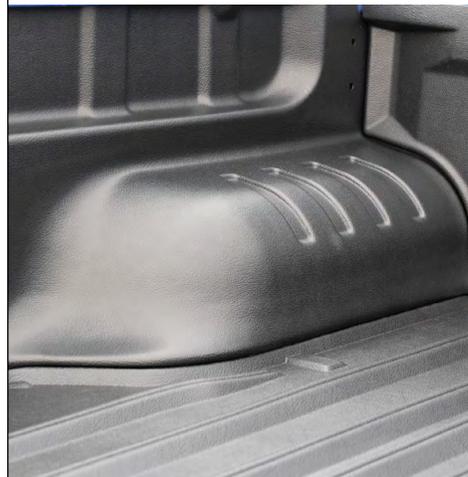

£80.36 + VAT RRP

T90EV BEDRUG CARPET LINER

These bed liners have a carpet-like look and feel. Tailored to fit your Maxus T90EV exactly, BedRug liners are tough, hard-wearing and can be cleaned easily with a vacuum or hose.

£478.44 + VAT RRP

**T90EV
UNDER-RAIL BED LINER**

These bed liners are compatible with other load bed accessories like canopies and roller shutters. Non-slip, durable and help prevent damage to the load bed from cargo, loading or unloading.

£168.89 + VAT RRP

**T90EV
LEISURE CANOPY**

Non-drill installation and packed with features. A superb paint finish, sliding side tinted and lockable windows, sliding bulkhead, roof bars, heated rear glass and high-level brake light.

£2,333.75 + VAT RRP

**T90EV
COMMERCIAL CANOPY**

Non-drill installation and solid sides to help keep cargo secure. Features include roof bars with 80kg load capacity, plus a twin locking system for the rear door and sliding bulkhead window.

£2,333.75 + VAT RRP

T90EV MOUNTAIN TOP ROLLER SHUTTER

Tried and tested in challenging environments. The Mountain Top roll for the T90EV is built to last, simple to use and a tried-and-trusted roller shutter, which keeps the pickup 'look'.

£1,820.31 + VAT RRP

T90EV MOUNTAIN TOP ROLLER SHUTTER WITH SPORTS BAR

Mountain Top's Sports Bar MAXUS -imizes the sporty off-road appearance of your T90EV. Non-drill installation, made to OEM standards, built-in brake light and compliments the roller shutter perfectly.

£2382.81 + VAT RRP

T90EV PROTOP TWIN DRAWER

This heavy-duty innovative storage solution gives the user two full length lockable drawers below a full size flat sliding floor. Both of the drawers and the sliding floor have 100kg carrying capacities.

£1,253.62 + VAT RRP
