The Kia Picanto.

Movement that inspires

Images shown are for illustrative purposes only and not to UK specification.

Cool compact. Hot stuff.

What's not to love about the stylish and bang-on-trend design of the Picanto? From its eye-catching exterior with signature grille, prominent headlamps to the rear tail lamps, this is one chic model that's ideal for zipping around the city or zooming out on the open road. Plus, with a selection of trendy body colours to choose from, you can pick the perfect Picanto for you.

Comfort in style.
Charisma in abundance.

Slide inside the Picanto and be impressed by its cool interior that feels super compact and yet amazingly spacious. With intuitive modern design, premium materials, ergonomic seating, cutting edge technology and the latest safety and driver-assisted features, it’s a real feast for all the senses. So go on. Get in, get comfy - and experience the delights and take it away.

Images shown are for illustrative purposes only and not to UK specification.

Information at your fingertips.

Living the moment means always being on. The Picanto is packed with technologies to help you stay informed and inspired while driving.

Bluetooth®: Better stay hands free while driving so the Picanto comes with Bluetooth® phone connectivity as standard.

Android Auto™/Apple CarPlay™. Bring the best of your smartphone in your car. Every Picanto with an 8-inch display supports Android Auto™ and Apple CarPlay™ (grade dependent).

8-inch touchscreen navigation system. The high-definition touchscreen provides clear guidance to navigate to your chosen destination using real-time traffic information (grade dependent).

Audio system. The base audio system includes a 3.8-inch monochrome screen with DAB radio (grade dependent).

4.2-inch supervision monochrome cluster display. This screen is positioned between the rev counter and speedometer, and provides access to essential vehicle status, menus and trip data (grade dependent).

Kia Connect (UVO). Kia Connect (UVO) comes free for seven years. Your satellite navigation system, destination search and Points-of-Interest directory are powered by the Internet. You can also find out about fuel station prices, obtain weather forecasts and can interact with your car through the Kia Connect (UVO) mobile app (grade dependent).

Wireless phone charger. No cables? The charging pad at the front of the centre console lets you charge compatible phones wirelessly (grade dependent).

Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia partner and on kia.com. Smartphone with iOS or Android operating system and mobile phone contract with data option necessary incurring additional cost.

The displayed Kia Connect (UVO) screens are for illustration purposes only and do not necessarily show the latest version of the Kia Connect (UVO) app and Kia Connect (UVO) on-board services.

For any questions regarding regulations or legal details, please check the Kia Connect (UVO) Terms of Use.

Kia Connect (UVO)...
Your free seven-year connected services.

Kia Connect (UVO) opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia Connect app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect (UVO), once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information
Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones
Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information
With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest
Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking
Kia Connect (UVO) helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

Fuel station information
The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only)
Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Works with Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Mobile application services

Once Kia Connect (UVO) is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia Connect mobile phone application (available on Apple™ and Android™).

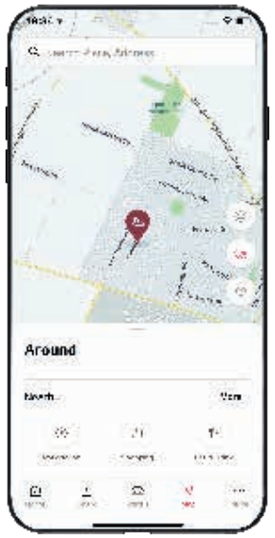

Find my car and first/last mile navigation
You can check the location of your car from your smartphone. Your app can also use augmented reality or Google Maps to guide you to your car. When driving and parking before reaching your destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status
The Kia Connect app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control
You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings
Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode
Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service.

Kia services are available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS™ or Android™ operating system and your own data plan to operate the Kia mobile application. Your Kia needs to be in a location with Vodafone mobile signal to connect to these services.

Neat size. Surprising space.

The Picanto is cleverly compact, but it sure has a load a space. In fact, once inside, the whole thing is surprisingly spacious, with plenty of head, shoulder and legroom - even in the rear. Add to that some really slick extras like heated steering wheel and front seats, and everyone will want to pile in for the ride (grade dependent).

Images shown are for illustrative purposes only and not to UK specification.

More let’s do it.
More why not.

When you’re ready for anything, the Picanto is your best ever friend. With its roomy cabin, clever rear folding seats offering a generous 255 litres of standard luggage capacity, plus a jaw-dropping 1,010 litres of luggage capacity when the rear seats are folded down, you’re all set for any adventure you fancy.

60:40 split-folding rear seats. Take whatever you need with the flexibility of rear seats that split and fold 60:40 to accommodate people or cargo.

Front cup holders. Dual cup holders at the front of the console keep your drinks close at hand - and if you prefer a more flexible space, the cup holders can be easily stowed-away at the touch of a button.

Double tray. Located below the temperature controls, the double tray is a great spot to store your shades or phone.

Efficient Engines. Effective Anywhere.

The Picanto is designed to be highly efficient both in terms of performance and fuel economy.
It is perfectly suited to meeting city regulations as well as exceeding your expectations on the open road. Take your pick from the svelte and smooth-running **1.0-litre DPi** engine or turbo-charge your drive with the **1.0-litre T-GDi**.

Idle Stop & Go (ISG). ISG comes as standard on all Picanto models and is designed to reduce fuel consumption by shutting down the engine when the vehicle is at a standstill.

Manual Transmission. The Picanto's 5-speed manual transmission has been optimised to give a higher torque and a longer gear ratio. That's why the engine not only offers good acceleration and top speed, but it also makes gear changing super smooth and responsive.

Automatic Transmission with Manual Mode (AMT). AMT is an exciting, new and easy way to drive, and works just like any other automatic transmission. At its heart, the system includes a manual gearbox automated by an electric clutch, meaning you benefit from the convenience of an automatic transmission while enjoying the same economical fuel consumption as a manual gearbox. What's more, AMT comes with a creep function - very useful in city traffic - allowing you to move slowly by releasing the brake pedal..

Safety first with DriveWise technologies

The Picanto's DriveWise technologies set the standard with an extensive range of in-built, active safety and convenience features. They take the strain out of driving and parking and - crucially - are designed to keep you safe.

Forward Collision-Avoidance Assist. The system uses a front-facing camera to guard against a collision with any vehicles or pedestrians ahead. By warning you and braking automatically, it can help you avoid, or reduce the severity of an accident.

Tyre Pressure Monitoring System. This system alerts you when a tyre needs pressure adjustment.

Rear-view camera with dynamic guidelines. The rear camera projects an image onto the 8-inch floating display, along with dynamic guidelines to help you into place.

Rear parking sensors. Ideal for confident parking, these ultrasonic sensors mounted on the rear bumper warn you of any obstacles when manoeuvring into a parking space.

Uncompromising protection.
Complete peace of mind.

The Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's designed and built to safeguard you and your passengers at all times. You can enjoy each and every ride, safe in the knowledge that you are being looked after.

Advanced high-strength steel and hot-stamped steel. The Picanto uses more than 44% advanced high-strength steel, as well as hot-stamped components in the core stress areas. This greatly improves average body rigidity - enhancing cabin protection and dynamic performance.

Front/side/curtain. To help protect occupants and potentially reduce injuries in the event of a collision, the Picanto offers driver and front passenger airbags, two front-side airbags and two side-curtain airbags.

Electronic Stability Control (ESC). ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

Hill-start Assist Control. When at a standstill on an incline, Hill-start Assist Control prevents you from rolling backwards. It applies the brakes from the time you lift your foot from the brake pedal, giving you a moment to switch your foot smoothly to the accelerator.

Images shown are for illustrative purposes only and not to UK specification.

Great choice.
Good times.

Life is more fun with choices, and the great news is that the Picanto comes with three - the cool Picanto base line, the exciting GT-Line and the X-Line with more rugged looks.

A world of comfort.

Take your seats for true comfort that's endlessly chic to the eye and beautiful to the touch. From the Picanto's heated steering wheel to its smart key, you're bound to feel life with the Picanto is very pleasant indeed.

Smart key with engine start/stop button. You can lock or unlock your Picanto without taking your key out of your pocket or handbag. Next? Simply press the engine ignition button to start the car.

MDPS with tilt steering wheel. Motor-Driven Power Steering simplifies turning, while a tilt steering column helps you get in and out.

Automatic air conditioning. Just set your preferred temperature, and the automatic climate control monitors and maintains it until you change or cancel the setting.

Wireless phone charger. Go wire free, with optional wireless charging for compatible smartphones. The charging pad is at the front of the centre console for easy access (grade dependent).

Alloy pedals. Racing-inspired alloy pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

Folding door mirrors. Leave your Picanto neatly parked, with door mirrors that fold when you lock the doors (grade dependent).

Auto light control. Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

Sunvisor illumination lamps. It's easy to stay stunning with the handy illumination lamps. Simply pull down the sunvisor and open the mirror to activate. There are lights at each side of the glass, as well as a striking U-shaped mood light around the sides and bottom (grade dependent).

USB port. Connect audio players and mobile devices via USB.

Images shown are for illustrative purposes only and not to UK specification.

Accessorise in style.

Give your new Picanto an edge with a range of functional and styling accessories. From customisable options to express your style to practical ways to protect your car, there's the perfect accessory for everyone.

Velour carpet mats. Keep your cabin unblemished for longer. These high-quality velour carpet mats will protect your Picanto's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the Picanto logo in the front row and are held in place with fixing points and antislip backing.

LED footwell illumination. Give your cabin the red carpet treatment with this premium touch that bathes the front footwell in exquisite ambient light whenever the doors are unlocked, fading out when the engine starts. Available in stylish red and classic white.

Entry guards. First impressions always count. These aluminium entry guards give a flash of premium shine to welcome passengers to your Picanto. They're a custom fit and feature the Picanto logo.

Boot liner. However wet, muddy or grimy things get, this custom-made liner will protect your boot area. It is durable, anti-slip and waterproof with raised edges. The textured anti-slip surface helps prevent loads moving around. Custom-made and designed to complement the interior of your car carrying the Picanto logo branding.

Tailgate trim line. Make sure your Picanto is as unique as you are. Now you can make an eye-catching style statement on the road. Add a striking design detail and colour accent to your Picanto's exterior with this tailgate trim line. Available in elegant silver, piano black and vibrant red.

Sit back. In style.

Take your seats for true comfort that's endlessly chic to the eye and beautiful to the touch. From stunning cloth to stylish artificial leather, to a bold sports package, you're bound to find the perfect seating to suit you and your passengers for years to come.

KIA PROMISE

10 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 10 great owner benefits when you buy your Kia and register at MyKia.

7 YEAR WARRANTY
QUALITY REDEFINED

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year or 100.000 miles warranty for your peace of mind.

INSURANCE
EXCESS RETURN

Our Driveaway Insurance has you covered from the minute you leave the Dealership. We will also give you a £250 Excess Return Voucher which pays you back regardless of who you are insured with providing you call Kia Accident Aftercare before you call your insurance company. We will also provide you with a competitive quote for your annual cover.

ROADSIDE ASSISTANCE

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

CLICK & COLLECT

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

SERVICE
ONLINE BOOKING

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

FAMILY-LIKE CARE

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

ACCIDENT AFTERCARE

Available to all Kia owners, whoever your insurer and whatever the circumstances, Kia Accident Aftercare will take care of things for you. We will liaise with your insurer, provide a free courtesy car and ensure your car is repaired at a Kia Approved Bodyshop using Kia repair methods and original parts.

CONNECTED SERVICES

Kia offers you free seven-year connected services with Kia Connect (UVO). Once activated in your vehicle, Kia Connect (UVO) enables a number of digital features in your car like real-time traffic data. You can also install the Kia Connect (UVO) app on your smartphone and pair it with your Kia to interact with your vehicle in new ways.

HOME CHARGING

We have partnered with Pod Point and bp pulse so you can quickly and conveniently charge your electric and plug-in hybrid Kia at home.

ONE INVOICE CHARGING

Kia Charge makes public charging easy. Kia Charge is the only solution you need to charge your electric or plug-in hybrid Kia across multiple networks in the UK and Europe.
